

AVRP Studios Wins Two Grand Awards at 2023 PCBC Gold Nugget Awards

SAN DIEGO (May 30, 2023)---AVRP Studios, a renowned architecture and design firm, received two Grand Awards at the sold-out Pacific Coast Builders' Conference (PCBC) Gold Nugget Awards in Anaheim Wednesday night.

The Grand Awards, the highest honor in their respective categories, that AVRP won are for two separate projects:

- PCBC Gold Nugget Grand Award: Best Rehabilitation Project - Red Door Interactive
- PCBC Gold Nugget Grand Award: Best On-the-Boards Custom/Spec Home - The Wilson Residence

The PCBC Gold Nugget Awards recognize excellence and innovation in architecture, planning, and construction. AVRP Studios' achievements were determined by a panel of esteemed industry experts who evaluated nearly 650 entries across various categories, highlighting the most exciting trends and accomplishments in the field.

The Grand Award-winning project, "[Red Door Interactive](#)," is an impressive rehabilitation project that encompasses activity-based office spaces. AVRP Studios' transformative "village in a village" concept breathes new life into the community of Sherman Heights as well as creating an environment that inspires creativity, collaboration, and productivity.

The other Grand Award-winning project, "[The Wilson Residence](#)," is a beautiful custom/spec home on Gambier Island off the coast of Vancouver, British Columbia. The planning phase recently wrapped up and the home is expected to be complete this year. AVRP Studios' visionary design for this residence showcases its commitment to creating unique and personalized living spaces that cater to the needs and desires of their clients.

"We are honored to receive two Grand Awards at this year's PCBC Gold Nugget Awards," said [Doug Austin, Founder and CEO of AVRP Studios](#), who attended the ceremony in Anaheim. "These awards are a testament to our team's dedication to pushing the boundaries of design and delivering exceptional architectural solutions. We are grateful to our clients and partners for entrusting us with their projects and allowing us to bring their visions to life."

AVRP Studios' commitment to excellence and innovative design has garnered numerous accolades over the years. These recent Grand Awards further solidify the firm's position as a leading force in the architectural industry.

As AVRP Studios continues to embark on new projects and ventures, it remains dedicated to its mission of creating spaces that enhance the human experience, enrich communities, and leave a lasting impact.
