Artist renderings show what the new Pinnacle project will look like in East Village.

Pinnacle Development Granted Design Review Approval

The Pinnacle Park Boulevard Development has been granted design review approval for the construction of a residential mixed-use development comprised of a 41-story, 430-foot-tall tower designed by AVRP Skyport Studios.

The project is located on a 30,000-square-foot site on the south side of E Street between Eleventh Avenue and Park Boulevard in the East Village neighborhood of the Downtown Community Plan area. It is comprised of 462 dwelling units, 5,326 square feet of retail space, and 541 automobile parking spaces.
